- The Service Fee of \$1100.00 (inc gst) includes a \$330.00 (inc gst) non-refundable booking fee. The booking fee is due and payable with this completed and signed contract. The balance of the service fee will be due upon a positive result of the first pregnancy scan (15 days).

- A live foal is defined as one that will stand and suck. If a foal is born dead or dies of natural causes within 7 days, the mare owner will be entitled to a re-breed to the same mare (unless mutually agreed) until a healthy live foal is achieved. This guarantee will only apply if a written statement from a Licensed Veterinarian is produced within 7 days from the death. If the mare fails to produce a live foal in the return service year, the stallion owner shall then be released from any further obligations unless an agreement has been reached to continue.
- The mare owner agrees to notify the stallion owner of the results of the pregnancy scan regardless if she is pregnant or open, and agrees to provide a veterinary certificate of the **45 day pregnancy scan**.
- Upon payment of all fees and a positive pregnancy certificate from the vet has been received a Certificate of Service will be sent out.

- A Service fee (less deposit) shall be refunded if a mare fails to fall pregnant throughout that breeding year. Another mare may be chosen to breed with in replacement of the existing mare, if the owner continues to breed but only at the Stallion owner's discretion.
- Upon signing of this contract, the mare owner certifies that he or she has the authority to enter this contract and agrees to provide a certificate of registration for the mare.
- **Mare owner and Veterinarian agree that shipped semen is to be used only on mare nominated in this contract.**
- This contract is not transferrable by the mare owner and cannot substitute with any other mare unless prior written consent from the stallion owner.
- Owners must inform the Stallion owner of the mare's pregnancy prior to the 30th April 2018 for the purposes of obtaining a breeder's certificate with the relevant associations. Late registrations will incur addition costs.
