4. Service Fees for 2022/ 2023 Breeding Season:

Please tick which applies to you and insert the amount below.

\$1650.00 inc GST per mare

The Stallion Service Fee is \$_____ including GST which includes a non-refundable booking fee of \$330.00 including GST payable with this contract.

5. It is agreed that a non refundable Booking Fee of \$330.00 inc GST shall be paid (per Mare) on the signing of this Breeding Contract, and the balance payable of (insert)_____ must be paid after the 45-day scan, via Direct Deposit or Cheque.

6. A live foal guarantee is offered with this service fee. If the Mare is returned to competition after being serviced, this guarantee will not be valid.

7. The Mare Owner will be responsible for payment of all charges for veterinary (including collection at an agreed Veterinary Clinic, insemination fees, scanning, treatment drugs, worming, treating infections, preventive measures, examination etc. as necessary), Mare handling Fees, agistment of the Mare, semen transport fees if applicable, and any other Mare related expenses.

8. It is agreed that the chosen Veterinary Clinic is independent of the Stallion Owner and the Stallion Owner shall not be responsible for any injury to the Mare or her progeny or loss incurred by the Mare Owner however caused. Nor shall they be responsible for any disease, accident, sickness or death to the Mare or foal.

9. It is further agreed that should the Stallion die or become unfit for service, or the above named Mare should die, then this contract shall become null and void, any money paid as part of the booking fee shall be refunded. Agistment and Veterinary Fees must be paid to the nominated breeding centre where required.

10. In the event that the Mare shall not become pregnant after appropriate veterinary attention (documentation supplied to Stallion Owners as proof) and after all reasonable diligence to settle the Mare has been undertaken both by Mare Owners and your nominated breeding centre, the Stallion Owner's liability shall be limited to refunding the balance of the deposit (excluding

booking fee of \$330.00 inc GST). It is the Mare Owner's responsibility however to pay all fees (if required) for agistment and veterinary expenses.

11. In the event that the Mare aborts or if the foal does not stand and nurse, it is agreed that the Owner may return the Mare for breeding during the following breeding season and no stud fee will be charged for subsequent breeding (vet & agistment will not be included and remain Mare Owners expense). To be entitled to such subsequent breeding, the Owner must deliver to the Stallion Owners, a certification by a licensed veterinarian attesting that the Mare aborted or that the foal failed to stand and nurse, accompanied by the Stallion Breeding Certificate, and such delivery shall be made within ten (10) days of the date that the Mare aborts or the foal is born.

12. Australian Quarter Horse or Australian Stock Horse Society breeding certificates will not be issued unless the above mentioned Mare is registered with the Australian Quarter Horse Associations or Australian Stock Horse Society at the time of signing this contract. If a late Stallion breeding return is required, the Mare Owner is liable to pay the late fee required by the above mentioned.

13. For the purposes of GST collection the GST component of the Service Fee will be received in Mr Thomas Owen Mills name, ABN Number: 846 37087088.

14. It is agreed that all sums payable to Stallion Owners (includes non-refundable booking fee of \$330 inc GST, and the balance of the Stallion service fee) are to be paid:

by cheque to: Thomas Mills, "Vuna Station" Hughenden Qld 4821

OR

via Direct Deposit to: Star Grazing Pty Ltd –
ROB Bank BSB: 142 001 Account Number: 108020850 Ref: Last Name/ Mare's Name

Please email Stallion Owners to confirm payment method and supply a copy of the bank transfer if paid using direct deposit. mills.wakefield@gmail.com

15. When the Mare Owner signs and returns two copies of this contract to the Stallion Owners including a copy of the Mares' registration papers and the deposit is paid as per clause 15, it will then be a binding contract for both parties' subject to the above terms and conditions. This contract is not transferable or assignable.

16. The Stallion Owner will lodge a breeding return with the AQHA should the above mentioned Mare be registered. Please view the AQHA website for details www.aqha.com.au. Mare Owners should be (or become) members of the AQHA to register the progeny.

17. The semen will be collected at the the Veterinary Clinic mentioned above. The Mare Owner agrees to pay the shipping or transport costs to deliver the semen to your nominated breeding centre's address and any additional collection fees required. Semen is available with prior notice only and Mare Owners must be aware that if semen is needed over the weekend or out of business hours' additional fees may be charged to them. If this is so semen will only be available if the vet is available and transport is possible during this period.

The quantity and quality of semen shipped is deemed to have sufficient numbers and motility to obtain pregnancy under normal conditions if inseminated within 24 hours or as per the agreed Veterinary Clinic's instructions. Semen will be transported in a foam-chilled box and must be kept in a cool area when transported. If going via bus transport the semen must travel near the driver in the air conditioning not in the cargo hold.

Clear directions in writing must be supplied with this contract and to the nominated breeding centre stating transport methods for the semen.

Appropriate transport methods must be organized by Mare Owners (may consult with the agreed Veterinary Clinic for suitable methods if known) and must arrive and be inseminated within a 24-hour window or as per the agreed Veterinary Clinics instructions.

The Stallion Owner or the agreed Veterinary Clinic are not liable for Semen lost in transport or for delays in semen arriving to its destination and /or if this causes loss of motility to the live semen. The Mare Owner is responsible for any costs.

Where additional semen is required Mare Owners are to pay the additional collection fees and shipping expenses to the nominated breeding centre before additional semen is shipped.
