4. Mares Bred Naturally at Stud (natural service) : Before arriving at the stud mares must be well handled, feet trimmed and in good condition. Mares must have a clean swab report forwarded with this form or on arrival. If mare requires medication, then suitable fees will be charged. Please note no Natural Service will be offered in 2021.
5. Handling: Mares must be broken into halter and easy to hobble and bandage. Kennallywood Stud reserves the right to refuse any mare for service at any time. Kennallywood Stud Reserves the right to A.I any mare at owners expense.
6. Arrival and Departure: Kennallywood Stud advises owners to notify the stud, two days prior to when they are dropping off or collecting mares. If mares are going to be arriving or departing on transport, the name and phone number of the company is required. All costs are to the owners account. Please contact the stud for an admittance form for your mare.
7. Live Foal Guarantee: This is defined as the following; A negative pregnancy test after the mare has been declared pregnant by a qualified vet, or a still born foal. (LFG) is given with return service the following season. If the foal does not stand up and nurse, the Mare Owner will be entitled to a return service. This guarantee applies only if the Mare Owner notifies the Stallion Owner within one week from death of foal. This notice must be accompanied by a Statement from a licensed Veterinarian. If the Mare is to be returned and the Mare Owner fails to deliver her for re-breeding the following year, then any and all fees will be forfeited and the return service will be lost. There is no LFG on the return service. The Mare Owner will have to cover all cost other than the Service Fee.
8. Liability: All required care and attention will be taken by Kennallywood Stud but no responsibility will be accepted for injury, illness, death to mare or foal when in care of Kennallywood Stud.

All of the above information and information on this document is understood between all parties.
