We, the mare owners, hereby agree to breed to the stallion Mt Oweenee Quba, ASH Registration Number 257507, standing at Monto Vet Group, in the 2025/2026 breeding season.

The following conditions apply:

1. A booking fee of \$330 (non-refundable) is payable at the time of booking mare/s to the stud. The booking fee is deductible from the service fee and is valid for one breeding season only.
2. The service fee for live cover & chilled semen for the 2025/2026 season is \$2,200 inc GST.
3. All booking fees and transport costs are to be paid in full prior to dispatch of any semen.
4. The mare owner must give the Veterinary Clinic at least 48 hours prior written notice of where and to whom the dose is to be transported to (destination). Risk of loss or damage to the dose passes to the mare owner after the dose is picked up for transportation to the destination point. The container in which the dose is transported belongs to the Veterinary Clinic and must be returned to the return address supplied.
5. Semen fees are non-refundable. Semen is sold with a live foal guarantee.
6. The stallion owners & the veterinary clinic have the right to refuse service on any mare at their own discretion.

7. Foal guarantee: The stallion owners will supply a free service return the following breeding season if a live foal fails to result from the mating. The mare owner will give notice to the stud no later than 7 days of the mare foaling or aborting; a vet certificate must accompany the return request. If this is not forthcoming, the live foal guarantee will be null and void. A further booking fee applies for each year (breeding season) a mare returns.
8. An ASH breeding certificate will be issued after a positive 45-day pregnancy scan and full payment of the service fee.
