The Owner warrants that the details on the abovementioned broodmare contained in the Application for Service form are true and correct and that the broodmare shall be healthy and in sound breeding condition, this fact to be certified by a qualified veterinarian before the mare is served.

It is further agreed that should the said stallion be unavailable for any reason whatsoever before serving the said mare, or if the said mare named in this contract dies or becomes unfit to be served, then this contract shall be rendered null and void.

The Partnership has the right to refuse service on any mare at their discretion and monies paid under the Provision of Paragraph 1 hereof shall be refunded to the Mare Owner.
