Payment Terms

1. A **20% non-refundable deposit** is required upon signing this Agreement and must be received before any breeding or semen collection takes place.
2. The remaining **80% balance** is payable:
    - Upon confirmation of a **positive 45-day pregnancy scan**, or
    - At **60 days from the date of breeding**, regardless of whether a pregnancy scan has been performed.
3. No **Service Certificate** will be issued until:
    - This Agreement has been signed by both parties; and
    - The service fee has been paid in full.

Collection, Veterinary and Shipping Costs

The Mare Owner agrees to pay all costs associated with:

- Veterinary semen collection fees.
- Semen shipping and freight costs.
- Any veterinary expenses relating to the mare before, during or after breeding.

These costs are separate from the stallion service fee.

Twin Embryos

Should the mare produce twin embryos, no additional service fee will be charged.

Live Foal Guarantee

A Live Foal Guarantee is provided under this Agreement.

A live foal is defined as a foal that stands and successfully nurses unassisted within 24 hours of birth.

Should the foal fail to stand and nurse within 24 hours, the Mare Owner will be entitled to a rebreed the following year to Toonga Royalty, subject to the stallion remaining available for service.

The Mare Owner must notify the Stallion Owner promptly and provide a veterinary certificate confirming the circumstances.

Mare Substitution

If the contracted mare:

- Dies; or
- Is declared by a veterinarian to be medically unsuitable for breeding,

the Mare Owner may substitute another mare.

The Stallion Owner must be notified before breeding the substitute mare, and a new Breeding Agreement must be completed and signed.

No additional stallion service fee will be charged for the substitution.

General Conditions

- This Agreement applies only to the stallion and mare identified herein (or an approved substitute mare under the Mare Substitution clause).
- The Stallion Owner agrees to make available semen collection and shipment in accordance with normal stud management practices where humanly possible.
- The Mare Owner is responsible for ensuring the mare is in suitable health and condition for breeding.
- Any amendments to this Agreement must be made in writing and signed by both parties.

Acceptance of Agreement

By signing below, both parties acknowledge that they have read, understood and agree to the terms and conditions contained in this Agreement.
